ROMANS 12:2
 "...BE TRANSFORMED BY THE
 RENEWAL OF YOUR MIND..."

"THE KINGDOM OF HEAVEN IS WORTH INFINITELY MORE THAN THE COST OF DISCIPLESHIP, AND THOSE WHO KNOW WHERE THE TREASURE LIES JOYFULLY ABANDON EVERYTHING ELSE TO SECURE IT." - D.A. CARSON

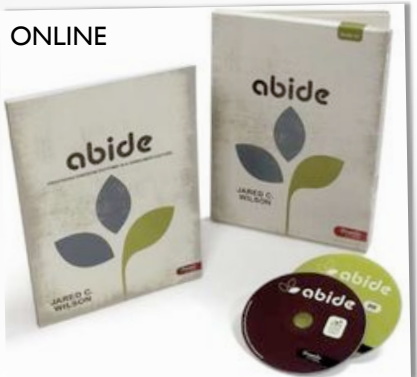

The Road To Discipleship

A disciple is a learner or follower. He or she is someone who follows the teachings and examples of someone or something with the purpose of emulating and becoming like the one being followed. Billy Graham says, "Salvation is free but discipleship costs everything we have." In other words,

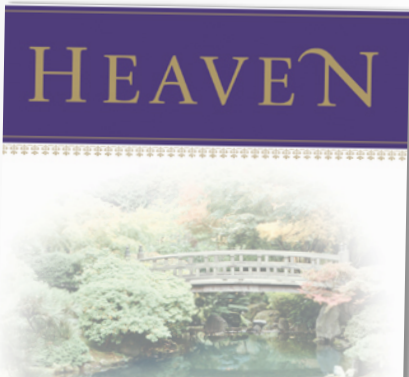

nominal, low-cost Christianity that accentuates salvation without obedience is not God's plan for believers. Jesus says, "If anyone wants to come after me he must deny himself, take up his cross, and follow me." The road to true discipleship is about far more than simply attending a

church and claiming to be religious. It is about transformation from the inside out. It is allowing the one who has transformed you to use you in helping transform others. After all, the Bible makes it quite clear that Jesus has not only called us to be disciples, but also to make them. - (Matthew 28:19-20)

DISCIPLESHIP CLASSES

Philippians: The story begins in Philippi with three characters, Lydia, the slave girl, and a hard working jailer, whose lives portray dysfunction and emptiness but are totally transformed by the Gospel. True joy and Christ's love begin to live within them, giving them a life of purpose. What does it mean to be a mature Christian? Why does Paul say, "To live is Christ but to die is gain"? Dig deeper into the book of Philippians with Matt Chandler, Pastor of the Village Church in Dallas, TX.

Faithful, Abundant, True: Join Beth Moore, Kay Arthur, and Priscilla Shirer for a seven-session women's Bible study. Study the rich teachings of scripture with three ladies who are going deeper still. Kay challenges ladies to faithfulness in difficult days. Priscilla points to the essential of trust in God's ability, and Beth teaches on how to discern truth from error.

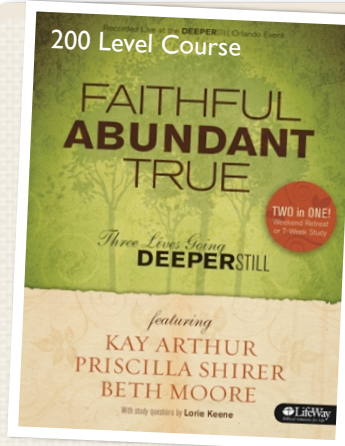

Membership 101: Membership is about far more than attending church. As members of Temple Baptist Church we are called to a higher degree of accountability, service, and sacrifice. We want our guests and those who attend our church to know who we are, what we believe, and to be able to make an informed decision about joining the church family. This class is essential for new and potential members. Current members who have yet to take 101 are encouraged to join the class as well.

Heaven: Have questions about what heaven will be like? Carol Lueken is teaching a class on Randy Alcorn's book entitled Heaven. A large majority of Christians possess faulty or non-biblical assumptions of heaven. This book takes its readers through many of the questions about heaven to help believers develop a biblical concept of the subject. The class will be offered on Wednesday nights beginning October 20, 2010 at 6:00 p.m. This is a 100 level course.

Abide: Prayer. Fasting. Service. These are just a few of the spiritual disciplines of the Christian life. While all who abide in Christ agree about the essential nature of these practices, most of us live with a sense of frustration when it comes to implementing them. Examining key sections of the Sermon on the Mount, we will learn how to stop striving to do a better job at Christianity and start truly finding what it means to be a Christian. This discipleship class will be offered online, taught by Christopher Wright. You will need high speed internet access to view videos. Class will run September 22 - October 20 with weekly updates and online discussions.

Girl Talk: Gossip. Lying. Language. Sensual dialogue. Trash talk. This Bible study tackles these tough topics with teen girls. This is a study that challenges girls to let their speech honor God. Girl talk will be held on Thursday Evenings at 6:00. Kendall Tanner will teach the class running September 16 - October 14.

Cross-eyed Readers

The Cross-eyed Readers will be reading *The Cost Of Discipleship* by Dietrich Bonhoeffer for the meeting in October. The book may not be an easy read, but it will be a beneficial one! Bonhoeffer deals with the dichotomy between "cheap grace" and "costly grace". *The Cost of Discipleship* is a compelling statement of the demands of sacrifice and ethical consistency from people whose lives and thoughts should give evidence of a new type of leadership inspired by the Gospel. Everyone is invited to read the book and come to the discussion on October 21st! Craig Tanner will be facilitating the discussion.
